Sam: Hi, is this where I can get information on **tours**?

Nan: Yes, I can help you with that. What type of tour are you thinking about? There are some great **city tours** that are **half-day** or **full-day**.

Sam: You know, we've **explored** the city a lot since we've been here. I was actually thinking of a **side trip**.

Nan: Oh, sure. We have **excursions** to nearby **attractions**. There are one-day trips or two-day **overnight** trips, depending on which one you pick.

Sam: I think I'm interested in a **hiking** trip to the mountains. I'm **big on** nature. Are the overnight trips expensive?

Nan: Not at all. They are very **moderately priced**, starting at \$120 **and up**. Here's a **brochure** on the three hiking tours that are available. All three are **guided tours**, and meals and transportation are included.

Sam: Do I need **to book ahead**?

Nan: Yes, this company requires that you make a reservation 24 hours ahead.

Sam: Great. I'll take a look at the brochure. Can I book that here at the hotel tour desk, or do I call the company **directly**?

Nan: I can book that for you. Just **stop by** when you've made a decision and I'll take care of it for you.

Sam: That's great. Thanks a lot for your help.

Nan: It's my pleasure. Let me know if you have any questions.

Sam: I will.
